Suffolk Executive Airport to Host Open House for Renovated Terminal Building

SUFFOLK, Virginia (July 24, 2012) – The Suffolk Executive Airport terminal building and restaurant have recently gone through a major renovation to provide a more welcoming environment for visitors. The goal of the renovation was to improve the attractiveness of the terminal, restaurant and parking area while creating a layout that is more functional for airport business and travelers to Suffolk. To celebrate this transformation, an Open House will take place at the Suffolk Executive Airport terminal building, 1200 Gene Bolton Drive, on Wednesday July 25, 2012 from noon to 3 p.m. The event is free and open to the public.

The Open House will also allow those interested in operating the restaurant at the Suffolk Executive Airport the opportunity to explore the remodeled space. A Request for Proposal for restaurant operations can be found at www.suffolkva.us/bids/.
